**Public Utility District No. 1 of Kitsap County**
**Request for Professional Engineering, Architectural, Hydrogeological, Electrical and Telecommunications Consulting Services**
**Statement of Qualifications (SOQs)**

PUD No. 1 of Kitsap County hereby solicits SOQs from interested firms to provide professional engineering, architectural, hydrogeological, electrical and telecommunications consulting and design services during 2017, 2018 and 2019. Typical services required include, but are not limited to the following, on an as needed basis: project management, engineering, architectural, hydrogeological, electrical and telecommunications studies, analysis, reports, cost estimates, preparation of final plans and specifications, and providing engineering advice during construction.

The types of design projects involve the construction of municipal water system improvements, water storage tanks, water transmission lines and distribution systems, and development of monitoring wells and programs. For telecommunications, network system planning, route feasibility, network engineering, communication facilities, and project management, as well as regional telecommunications facilities and infrastructure.

Consultant selection criteria is based on the following: (1) Recent specialized experience and technical competence of the firm in the planning, design, and construction management of the types of services and projects listed above; (2) Professional qualifications of staff to be assigned to District work; and (3) Cost control effectiveness and how it is applied to small projects.

Each SOQ shall include the following:

- Brief cover letter of introduction
- History & Experience
- Services Interested
- Qualified Staff & Personnel
- Project approach, scope of work, cost estimates, efficiency, timelines, and schedules
- References

The SOQs will be kept on file and used to select qualified consultants for particular projects as needs arise. Minority and women owned firms are encouraged to submit statements.

All qualified firms interested in providing professional engineering consulting services are requested to submit one completed SOQ to PUD No. 1 of Kitsap County, Attn: OPS Admin. Asst., P.O. Box 1989, Poulsbo, WA 98370 or electronic copies may be emailed to susan@kpud.org Point of Contact at Kitsap PUD is Susan Soine at (360) 626-7704.
